SALSA LUPITA™

Hand-painted Lupita dolls bring the color of the Mexican countryside to life. Each Lupita is a vivid celebration of nature's gifts, from her flower-bedecked sombrero to her bright embroidered skirt. Her farm-girl apron swells with the bounty of a sun-kissed harvest...corn, agave, lettuce, and of course, juicy red tomatoes.

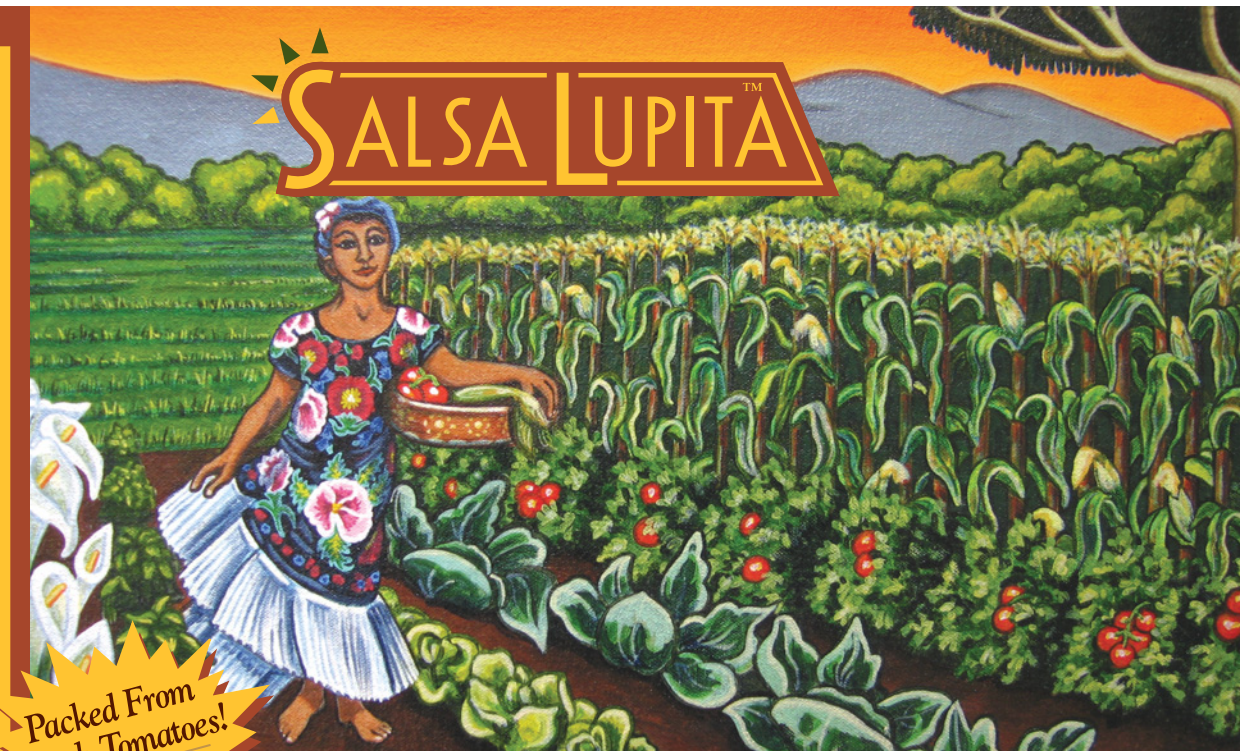

The Lupita's traditional Charra dress is donned only for special occasions and feast days, making the name "Lupita" synonymous with both feasting...and fresh flavor.

Salsa Lupita™ makes every day a feast day. *Salsa Lupita™* brings the bounty of the harvest to all your signature dishes, giving your patrons reason to celebrate!
