

Building CAPITAL

Outsourcing partnerships that build business™

Human capital—it's the ultimate business resource.

PRIDE identifies skills sets, tailors job training, and develops work opportunities to assure each PRIDE employee is productive and motivated. In the process we build self-sufficiency for individuals with disabilities.

Training. Job-matching. Motivation. Confidence.

PRIDE employees make your business more productive. Your business builds in value.

It's a partnership that makes good business sense — and a real difference.
